ON	Indigenous Women's Entrepreneur Program	https://nacca.ca/resources/iwe/	Ottawa	Canada	Indigenous women are, and always have been, at the very heart of our communities. Entrepreneurship represents a promising pathway for Indigenous women to enrich their lives, strengthen their families and participate in the development of their communities. In 2022, the Indigenous Women's Entrepreneurship (IWE) Program launched across 32 IFIs in Canada. Through the program, Indigenous women have access to dedicated Business Support Officers, routine workshops and training, and micro-loans to help kick start and grow their businesses. Developed in partnership with Indigenous Services Canada (ISC), the program seeks to reduce barriers that Indigenous women face when starting or growing their businesses, and ensure that they have access to the training, resources, and capital they need to prosper and thrive. For more information on the IWE Program, contact the IWE Team at IWE@nacca.ca.	<ul style="list-style-type: none"> - Access to Business Support Officers - Routine workshops and training, and micro-loans fund

SK	FCC Women Entrepreneur Program	https://www.fcc-fac.ca/en/financing/agriculture/women-entrepreneur-program.html	Regina	SK and Canada	FCC is committed to empowering women in agriculture, agribusiness and food. Through our research and discussions with women in agriculture, we discovered three key needs: increased access to capital to start or grow their business, access to business and competency skill development for themselves and their business, and access to tools, resources, and people to learn from and be inspired. Through the Women Entrepreneur Program, FCC has dedicated \$500 million over the next three years in lending, enhancing events and creating resources specifically for women entrepreneurs to start or grow their businesses. Through access to financing, value-added offerings to expand their skill set and connections to people and organizations across the industry, we're helping ensure a diverse, open and forward-thinking agriculture industry for everyone.	-Financing (up to \$1000) for skill development -Events (FCC Women Entrepreneur's Summit) -Skill and Knowledge building -Leadership -Networking (Joining an FCC Peer Group) -Mentoring
